## CRÊDO CUBE™ SERIES 4

Superior thermal protection in a convenient mid-size container.

The Crêdo Cube™ is a passive and reusable shipper qualified to hold chilled medical materials at a safe temperature for up to five days. This system is ideal for reducing shipping costs or for circumstances in which unexpected delays may occur.

Modular TIC™ (Thermal Isolation Chamber) walls with integrated PCM (Phase-Change Material) and VIPs (Vacuum Insulated Panels) makes conditioning in a freezer for year-round shipping easy and allows effortless packing and storage.

### WHY CHOOSE CRÊDO™ SYSTEMS?

- The most trusted and well recognised brand of high-performance reusable shippers with the largest number of sizes and temperature ranges available
- Unique TIC™ walls contain PCM and completely enclose the temperature-sensitive payload ensuring consistently stable performance
- Crêdo™ shippers are highly durable, lightweight, and provide an optimum volume ratio of interior payload space for your products - allowing you to ship more product in fewer containers, reducing distribution costs

### ENHANCE YOUR CRÊDO™ SYSTEMS

- **Crêdo ProEnvision™:** Easy-to-use, secure, web-based asset tracking software and global service centers available to assist customers and maximise their return on investment
- **TIC™ Smart Indicator:** Optional temperature-sensitive label installation specifying an “at a glance” safe temperature reading

## CRÊDO CUBE™

### DURATION

96 - 168 Hours

### SERIES 4

(2°C to 8°C)

### VOLUME

3L, 4L, 8L, 10L, 12L, 16L,  
28L, 42L, 56L, 96L

# CRÉDO CUBE™ SERIES 4 PRODUCT SPECIFICATION

Payload Size	Exterior Dimensions - mm	Interior Dimensions - mm	Tare Weight - kg
<b>Single Wall VIP, White Plastic Corrugate</b>			
3L	318 x 267 x 279	130 x 130 x 130	6
