

Peli EZ-Pull™ Multi-Stage Air Handle

Take Your Air Case to the Next Level. Designed for smooth, single-hand operation and adjustable height settings for optimal control. Easily replace your existing Peli Air trolley handle with simple tools and minimal effort. Whether you're navigating rough terrain or busy airports, this ergonomic handle is built for the mission ahead.

Single-Hand Operation

Roll your case with ease, keeping one hand free for other gear.

Multi-Stage Extension

Adjustable height settings for ergonomic handling.

Easy Installation

Securely installs to your existing Peli Air case in minutes.

Durable, Professional-Grade Construction

Engineered to withstand the roughest conditions.

Available for select Air Cases:

1535, 1535TRVL, 1595, 1595TRVL, 1615, 1615TRVL, 1556, 1606, 1607, 1626, 1637, 1646
